

Friday 22nd January

Maths

L.o- To count up to 10 from a larger group.

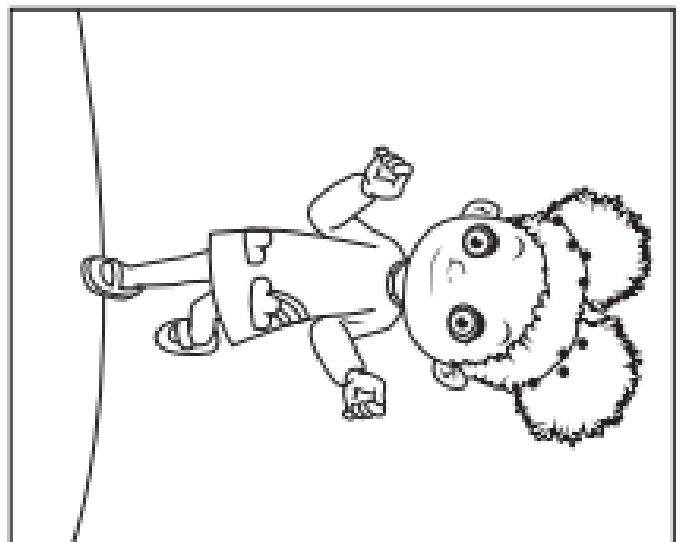

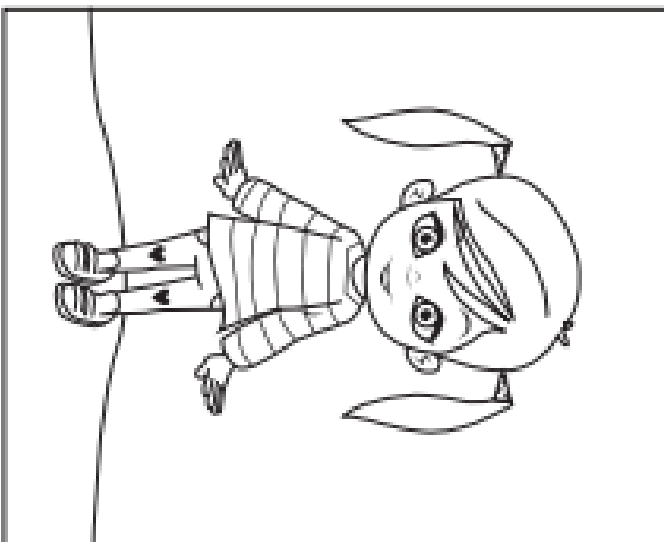

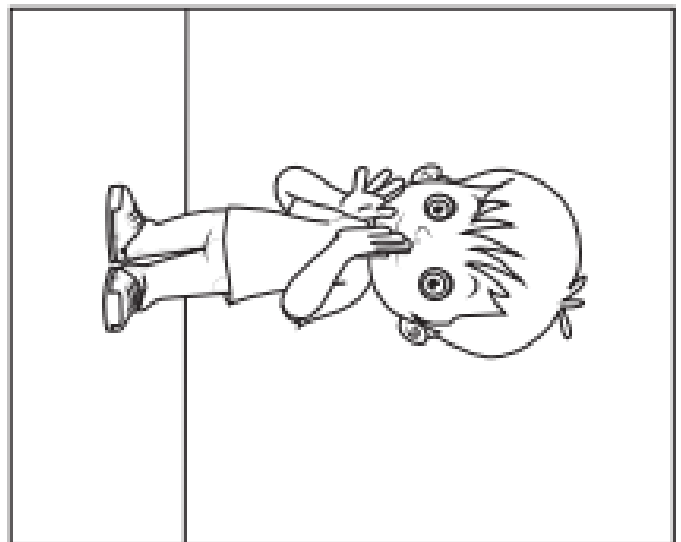

Please submit this learning to your child's class teacher on Tapestry or via email

Let's get active!

Activity 1: Card and Action game.

You will need:

- Digit cards 1-10 (use those you may have made earlier in the week or make a set)
- Action cards (star jumps, hopping, clapping, skipping)

How to play:

- Turn the digit cards and action cards face down
- Choose a digit card and an action card
- Ask your child to do the chosen action the same number of times as shown on the digit card

Activity 2: Counting out from a larger group

You will need:

- A box containing 30-40 items
- Digit cards 1-10
- 10 empty containers

How to play:

- Turn the digit cards face down
- Choose a card
- Count out the number of objects from the container with all of the items in into an empty container.
- Encourage your child to say one number for each item.
- Once all of the number cards have been selected, label the containers with the sets of items in them with the correct numeral.
