

Squared paper on page 2 below. If you do not want to print it, choose page 1 only

Friday Maths **PLEASE SEND THIS PIECE OF WORK TO YOUR TEACHER**

Today you are going to be subtracting 2-digit numbers.

Watch the video as it shows you the strategy we want you to use.

https://youtu.be/3X5L_zIY7lk

Now complete the following calculations in your book or on squared paper, if you have it

(There is a printable squared paper below if you need it.)

$26 - 13 =$

$48 - 27 =$

$34 - 11 =$

$47 - 12 =$

$53 - 22 =$

$36 - 21 =$

$54 - 43 =$

$25 - 14 =$

$46 - 23 =$

$49 - 26 =$

$28 - 11 =$

$57 - 34 =$

$76 - 25 =$

$46 - 33 =$

$95 - 32 =$

$37 - 25 =$

$69 - 43 =$

$46 - 26 =$

$76 - 44 =$

$99 - 37 =$
