Maths

L.O – To use the language ‘more than’ and ‘fewer than’.

Please submit this piece of work for feedback

Watch the Powerpoint here

<https://youtu.be/OBMwMH01kxo>

Then complete the activity on the next page. And send a photo or a video of you doing the activity to Tapestry. It would be lovely to hear you explaining your thinking.

Remember only to colour the group that has **fewer!**

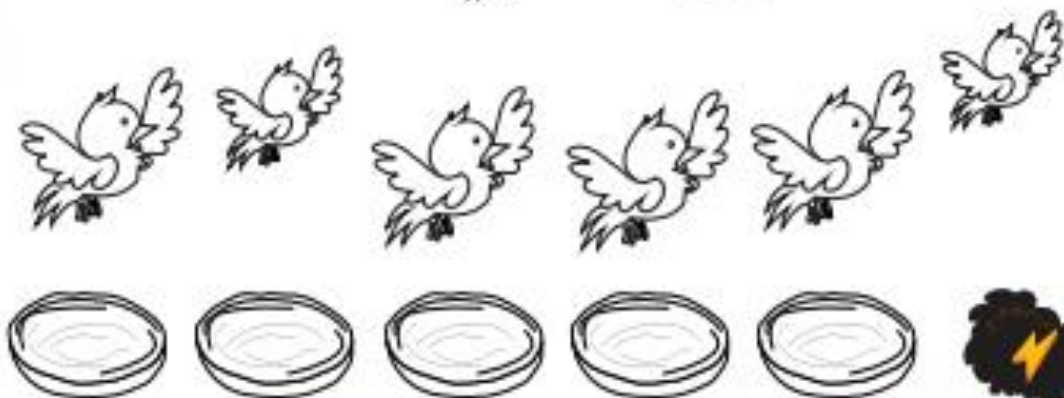

Maths

L.O – To use the language ‘more than’ and ‘fewer than’.

Please submit this piece of work for feedback

- 🐝 Are there enough nests for all the birds?
- 🐝 Are there enough balloons for every teddy to have one each?

Are there fewer  or  ?

I will colour the group that has fewer.

Are there more  or  ?

Can you represent the objects with cubes and line them up to compare?

Can you use the language **more** and **fewer** correctly to describe the groups?
