

Wednesday 27th January

Phonics

Work through all of the activities below

Activity 1- revisiting the words we have learnt so far:

- Print the word cards below (you could also make this if you are unable to print)
- Scatter them around the house or the room your child is learning in.
- Say the word aloud, they need to go and find it and bring it back to you.
- The words they are not sure of, read them together, hide them and have another go.

what	have	you	are	look
down	now	no	go	like
get	said	was	the	and

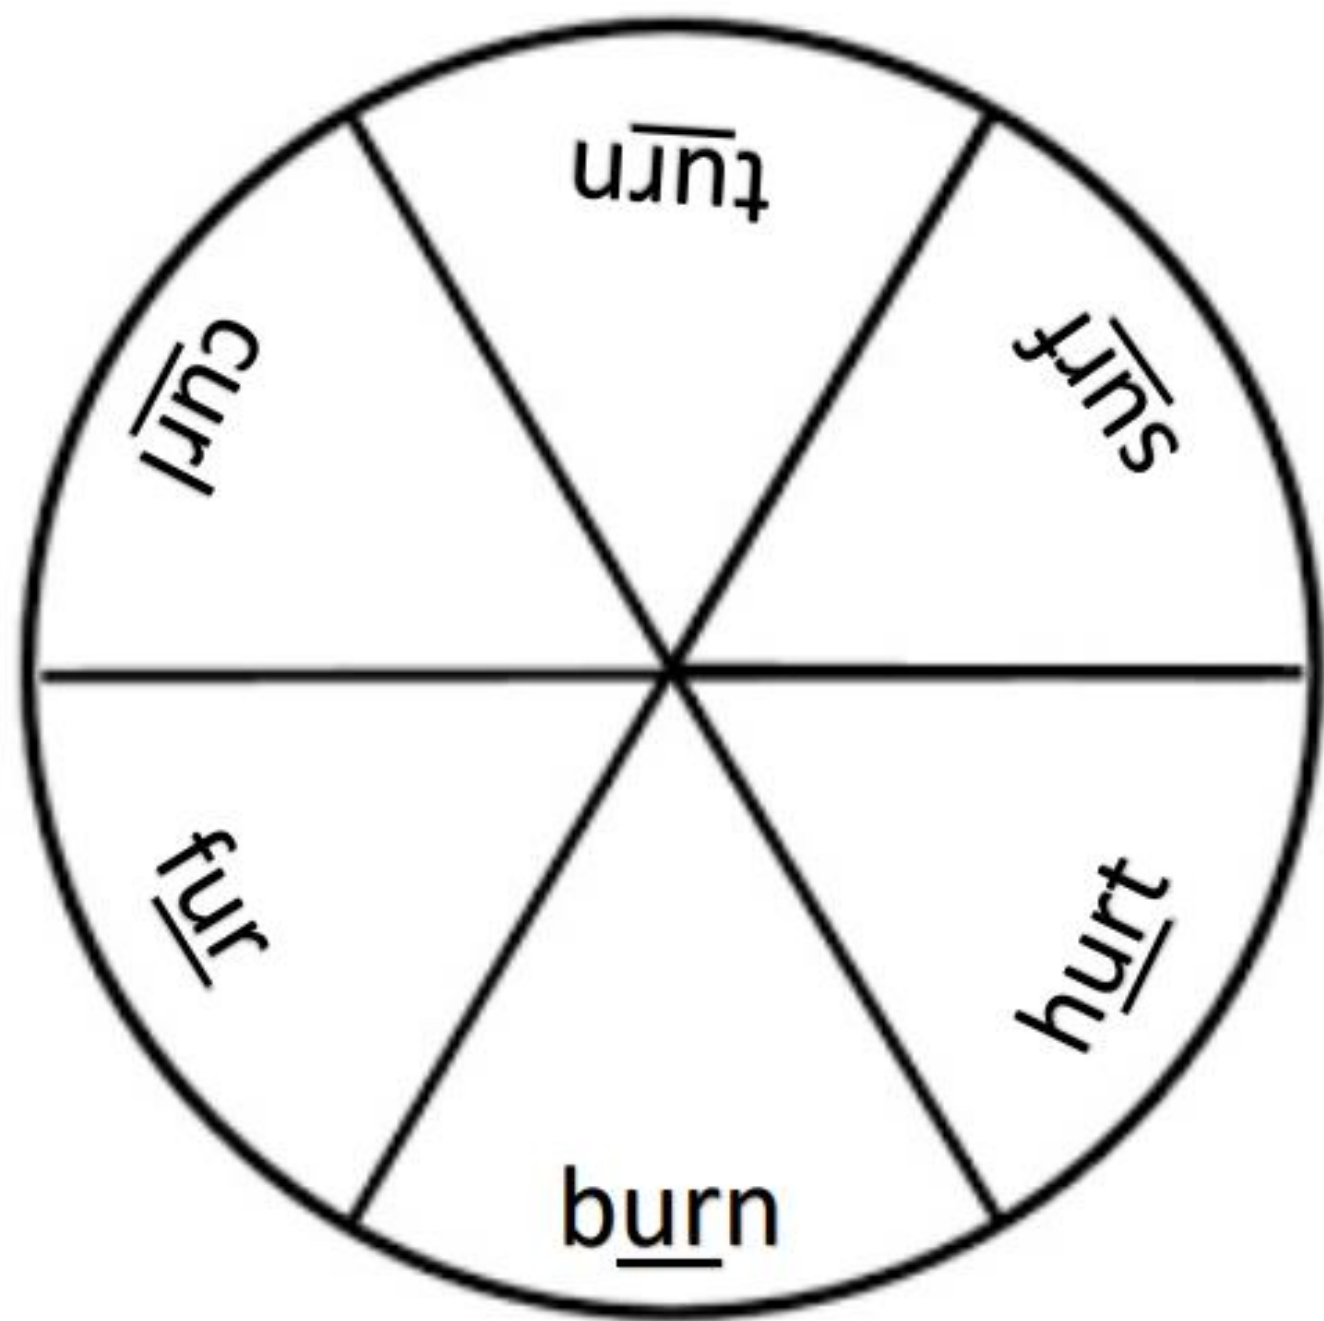

Activity 2- developing blending skills for reading:

- Watch the teaching video below, your child will need to join in with the activity.
- No resources are needed for this

Activity 3- reading 'ur' words spinner game

- This is exactly the same as last week, but with 'ur' words instead.
- Cut out the spinner parts below- you could also make your own using a paper plate
- Take it in turns to spin the spinner, tick off the word from your recording list (also below).
