

PSHE – Friday 29<sup>th</sup> January 2021

## That's not fair!

Today you will continue to think about the theme of friendship.

You will look at a range of scenarios that commonly occur amongst friends and discuss whether they are fair or unfair.

You will then think about how we can act fairly to everyone and not just our close friends.

Watch this video and explore these ideas.

You will need a pencil, paper and coloured pencils if you have some.
