L.o –To read **ai** words by blending the sounds together

Follow the link to the story of Hansel and Gretel below.

<https://youtu.be/lkE6rQEB29U>

Every time you see an **ai** word see if you can find it from the set of flashcards you made on Monday. You could place a counter next to the word each time and see how many **ai** words you read altogether.

How many **ai** words have you found?

Now find the following flashcards from your collection made on Monday to play a miming game.

tail

rain

paid

trail

sail

rail

train

snail

email

Take turns to pick a card, keep this secret but mime the action or noun for your partner to guess.

fork
