

Name _____

5.2.21

Now you know how to use 'and' try this challenge. There are too many 'ands' in this sentence. Can you change them? You could try using – then after now etc...

My cat is called Bob and he is 6 years old and he loves cat food and he is black with white spots and he hates water and he likes being tickled and he drinks milk and he sleeps on my bed

Can you be the teacher and circle the mistakes.

Copy the correct version below.
