## Using Connectives

Connectives help us to join ideas together to make longer, more interesting sentences.  
**Highlight the connectives in the sentences below.**

1. The emperor had a race because he wanted to measure time.
2. The animals lined up and got ready for the race.
3. The ox was winning but the rat cheated.
4. The dragon was late because he made rain for people to drink.
5. The pig stopped to have some food and was last.

Now choose the right connective to complete each of these sentences.  
You can use **and**, **but**, **because** or **so**.

6. The animals lined up \_\_\_\_\_ there was going to be a race.
7. The cat was in the race \_\_\_\_\_ he didn't get a year named after him.
8. The tiger was tired \_\_\_\_\_ he rested after the race.
9. The rabbit was clever \_\_\_\_\_ managed to get across the river.
10. The horse was cross \_\_\_\_\_ the snake beat him.
