This week our topic is 'Pets'

Watch the Rory and Fearné show to find out about different pet animals and how to care for them.

tales-guinea-pigs](https://www.bbc.co.uk/cbeebies/radio/vet-tales-guinea-pigs)

Make a playdough pet. Squeeze and pinch and roll the playdough to make your pets features.

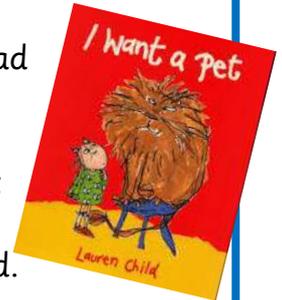

Have a look in your story book collection at home. Do you have any about Pets? Spend some time looking at the pictures and making up your own story based on what you see happening before reading them with a grown up or sibling.

If you could have any pet I wonder what it would be?

Listen to Mrs Gregory read 'I want a pet' by Lauren Child. Draw a picture or write a story about what pet will hatch from the perfect pet egg at the end.

Role Play – Pretend to be a vet. Use your cuddly toys to be your patients and make them all better!

Create a fact file or poster about your favourite pets. You could include a picture of the pet, some interesting facts about them, what they like to eat or drink and where they would like to sleep. Do they need a cage or a lead?
