

Name _____

One more/one less problem solving 9.2.21

Use your one more/one less skills from yesterday to solve these challenges. Remember to start with the **Mild** if you found it tricky yesterday.

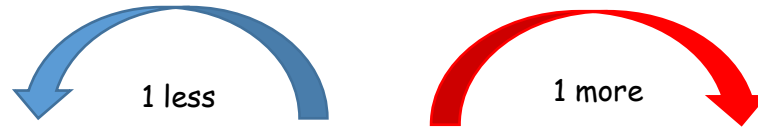

When you find one more than a number, only the ones digit will change.

Use this table to show if this statement is correct, the middle column has been filled in for you. What do you notice about the units column?

Convince me using some examples.

Tens Units
1 1

	8	
	15	
	18	
	21	
	12
