

English

Hope you all had a lovely Easter Break. In your English books write your holiday news, sentences about some of the things you did. Remember to use golden sentences (capital letters, finger spaces and full-stops). Try to sound out the spellings for your words carefully before you ask for help, If you would like to challenge yourself use some connectives to join your sentences, include some adjectives (describing words) or create exciting sentence starters. Look forward to reading about what you got up too!

Connectives		Connectives link clauses or sentences together.		
When?	Why?	Opinion	But...	And...
as soon until when while	as a result because for this reason so	fortunately luckily sadly unfortunately	although but despite on the other hand since whereas yet	and as well as in addition
