

Today you are going to plan a letter to Duncan

You are going to choose a different colour crayon to the ones already used in the book.

There is a planning sheet below to help you think about your ideas.

You can, of course, write each part of your planning in your book, if you do not want to print out the sheet.

Remember to check the spelling of any words you are unsure of.

Name: _____ We are learning to plan by writing down ideas and or key words including new vocabulary.
