Phonics

L.O – To segment and blend sounds to read 'oa' words

Watch the video to practise quick recall of the sounds learned so far and introduce the 'oa' sound with Miss Oh No.

<https://youtu.be/EUON-DPLLeEA>

Now you can make your own flashcards with the following words

road toad soap moat float coach groan moat roast
goal loaf boat toast broach moan goat boast

Remember to use pink for the 'oa'.

Here are some more oa words. You could make flashcards for these words too. Can you add any others that you find when looking at your books at home?

coat foal foam coast load

Keep these flashcards to use during this week's learning.
