Phonics

L.O – To segment and blend sounds to read 'oa' words

Miss Oh No makes the long **oa** sound. Follow the link to read the story of Cinderella and see if you can find all the **oa** words as Mrs Gregory reads the story to you. You can pause as often as you like.

<https://youtu.be/v8WyPmdUKh8>

Play Tricky Magic

1. Select 5 **oa** flashcards, read them together and insert each into a cup.
2. Your grown up then turns the cups over and move the cups around.
3. Closes your eyes while your grown up says 'Do not look at what the magic took' and takes a cup.
4. Read the flashcards as they are revealed one by one from under the cups. Try to guess which word is missing before all the words are revealed.
