2D Shapes- Nine Lives

This week we are revisiting 2D shapes. Having been a 2D shape detective around your home yesterday, log in to Education City and search for the game 'Nine Lives' in the search content bar.

This game will continue to help with naming and recognising 2D shapes.

Activity **Nine Lives** **2 D Shapes**

Mathematics > EYFS > F2

Identify **2 D shapes** (circle, square, rectangle and triangle) shown in different orientations, sizes and colours.
