Phonics

Starter-Teddy word hunt

To help us remember our teddy words, make a set of 10 teddy words onto pieces of paper or card. You can choose these from your teddy word book.

Once you have made the set, hide them around the room or garden.

Go on a teddy word hunt, each time you find a word, copy it down into your exercise book or on a piece of paper. Once you have found them all see if you can read the words to your grown up.

'er' word board game

Print out the board on the next page.

You will need:

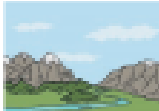

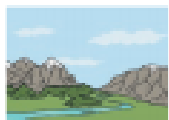

-  A counter per player
-  A dice or number cards 1-6
-  The board
-  Small counters or treats such as smarties

How to play:

-  The oldest player should start
-  Roll the dice or choose a number card. Move your counter that many spaces on the board.
-  You will land on an 'er' word. See if you can read the word using your sounds. If you read it correctly you can collect a treat (if edible do not eat until the end)
-  Take turns until both players reach the finish.

How many 'er' words did you read? Count your treats to find out.
