

Resources for science

Hello everyone,

Please can you save soup cartons, juice cartons (like the one above) or something for planting seeds in. Please do not buy new pots as we are trying to cut down on the amount of plastic we use through the year. If you have small pots already that you wish to reuse, then please send them in. (We do have a few reusable pots at school)

Each child needs two pots or cartons. Please wash them thoroughly before they come to school.

These are for the week beginning 8th March (first week back)

Many thanks

Mrs Ball and Mrs Braid
