

# HAPPY WORLD BOOK DAY

Today it is World Book Day. Choose from the suggested activities below to enjoy diving into the world of books!

Our theme at school this year is 'Bedtime stories'

## Make a reading den

Make a reading den somewhere in your house or in the garden. Think about making it a cosy and relaxing place to book snuggle with members of your family or on your own.

## Bedtime stories

This year's theme at school is bedtime stories. Have a pyjama day, enjoying your favourite books!

## Dress up!

Dress up as one of your favourite book characters, you could even invent your own story book character! What would they look like? What would they wear? How would they talk?

## Draw your favourite book character

What is your favourite bedtime story? Choose your favourite character from it, can you draw or paint a picture of them? A character can be an animal or person. You may also like to watch some youtube videos with Rob Biddulph, learning how to draw different animals.

Learn to draw Gregosaurus:

## Alternative endings

Choose your favourite bedtime story. Can you think of a different ending to it? You could tell your grown up your ideas and even have a go at writing your own book with your new ending.

You could also become an illustrator and draw the events in your story.
