Understanding the World

Compare diplodocus and
triceratops

<https://www.bbc.co.uk/iplayer/episode/b03wc5kx/andys-dinosaur-adventures-2-diplodocus-and-fern>

<https://www.bbc.co.uk/iplayer/episode/b03wz7mk/andys-dinosaur-adventures-6-triceratops-and-horn>

Follow the links above to watch Andy's Dinosaur Adventures.

Talk to your grown-up about the similarities and differences between these two dinosaurs.

Where did they live?

What did they eat?

How big did they grow?

You could make a factfile or a poster if you would like to or you could just talk about it.

Can you compare them to the dinosaurs you learned about earlier in the week?
