

# Design Technology – Friday 5<sup>th</sup> March 2021

Today we would like you to design a snuggly reading den for a favourite cuddly toy.

Watch this short video to get you thinking.

Think about these questions when you are designing:

- Will the den be indoors or outdoors?
- Is there a roof to keep your cuddly dry?
- Does your cuddly have a soft place to sleep?
- Where would you build the den?
- What material will you need to build this den?

Use the next page to design your den.

If you would like, you can build your den at home (ask an adult first!)
