

Activity 1 - What sounds can we hear

1. Watch the introduction to 'No Place Like' by Kerry Andrew.

https://www.youtube.com/watch?v=7T_UUpJt8wc&t=1s

The music was written by a composer, Kerry Andrew, and the music tells a story. In this case the story is home!

2. Listen to a small section of the whole performance and being a sound detective, what sounds can you hear?

https://www.youtube.com/watch?v=6c-x_inmCFM

Try to copy the sounds and come up with an action for it (this could be the same one that is on the video).

Every time you find a new sound, repeat what you've already found.

Find two or three sounds.

3. Next find a sound in a room in *your* house that you can make either with your voice, or by using body percussion like claps, stomping, clicking or slaps.

Practise this sound so that you can share it in school next week.

We will aim to put together a piece with your suggestions.
