

## Maths

### 'Think of a shape'

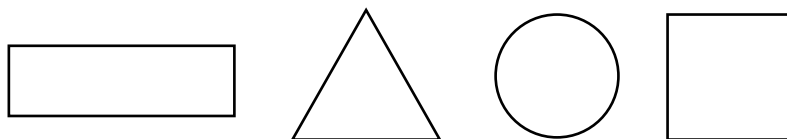

L.o- To understand the properties of 2D shapes.

Ask an adult or older sibling to help read the clues to work out what shapes Mrs Davies and Mrs Clements are thinking of. Colour in the shape you think matches the description.

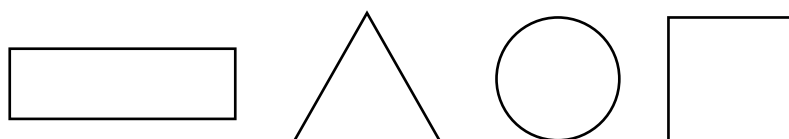

The shape I am thinking of has 4 straight sides. All of the sides are the same length. What shape is it?

The shape I am thinking of has 1 curved side. What shape is it?

The shape I am thinking of has 3 straight sides. What shape is it?

The shape I am thinking of has 4 sides and 4 corners. It has 2 long sides and 2 short sides. What shape is it?

Play this game with a member of your family. Take it in turns to describe one of the 2D shapes. Here are some words you will need to use to help you:

corners

straight

curved

sides
