

## Maths

L.o- To recognise coins and their values

Write the correct value next to each coin, you can use the numbers values below to help, if you don't think you need these, cover them up. Be careful to form your numbers correctly.

Some of the coins are very similar, look carefully at the size to help you.

1p	2p	5p	10p
20p	50p	£1	£2
