Listen again to the story 'Toby and the Great Fire of London'.

Imagine what it would've been like to have been Toby.

Write down some words that would describe what he might've seen around him, heard and smelled. How would he have been feeling?

Now write a short diary entry, imagining you are Toby. Describe what you were doing and feeling.

You could start your diary like this:

Dear Diary,

The last few days have been terrible!

Or you might have other ideas of how to begin.
