

**Thursday 30<sup>th</sup> April 2020**

Today we would like you to create a 'fact file' all about The Great Fire of London.

You can present your information any way you like. It could be a poster, a leaflet or maybe you have another idea.

Here are some prompts of what to include:

**What?**

**When?**

**Where?**

**Why?**

**How?**

**Who?**

You might like to illustrate your fact file.

Present your work neatly and make sure you use accurate punctuation.

Re-read it to check it makes good sense.
