

## Teddy Words

This week's Teddy Words are '**there**' and '**were**'. Adults, please add these to the Summer Term Teddy in your child's teddy book.

To help recognise these words, read the sentences below and highlight our new teddy words.

Look over there.

There were six ducks on the pond.

We were going to the park after lunch.

Can you put the book over there?

To help spell these words, write each one 3 times, one on each line.

were
