

Phonics

Choose one of the activities, using your blending skills to help.

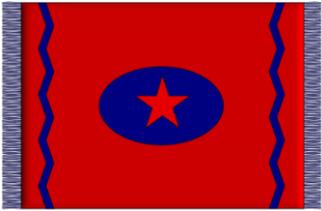

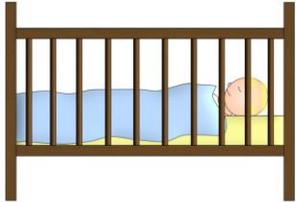

You can draw on sound buttons to help. For the spicy and hot chilli challenges you will need to look out for digraphs!

	Reading simple sentences and matching to the correct picture. This would be suitable for those on Pink level reading books.
	Reading sentences with digraphs, match the digraph word to the correct picture. This would be suitable for those on Red or Yellow reading books.
	Reading sentences with digraphs, match the digraph word to the correct picture. Write your own sentences using 4 of the digraph words you have found in my sentences. This would be suitable for those on Blue level or above

The activity sheets can be found after this page.

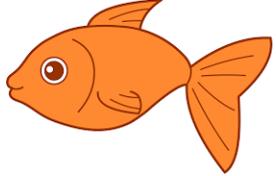

L.o- To use my sounds to blend the words to read simple sentences. To understand my sentence and find the matching picture.

<p>A cat in a hat.</p>		
<p>A red rug.</p>		
<p>A nap in a cot.</p>		
<p>A run in the sun.</p>		
<p>Run to the den.</p>		

L.o- To blend sentences that contain words with digraphs to find the matching picture.

Once you have read the sentence, highlight or colour in the word with the digraph sound and draw a line to the picture that matches. Be careful, some sentences have 2 digraph words, only one of the words will match a picture.

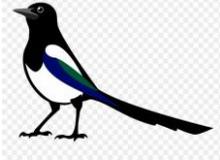

The rain did not stop.		
The chick is in its egg.		
I had fish for dinner.		
I put my muddy boots on the mat.		
Dad put my scooter in the shed.		

L.o- To blend sentences that contain words with digraphs to find the matching picture.

Once you have read the sentence, highlight or colour in the word with the digraph sound and draw a line to the picture that matches. Be careful, some sentences have 2 digraph words, only one of the words will match a picture.

Choose 4 digraph words you have found and write your own sentences.

<p>A magpie made a nest in the tree.</p>		
<p>I had a dream about fish.</p>		
<p>I picked flowers from my garden.</p>		
<p>I played football at the park.</p>		
<p>I like ketchup on my chips.</p>
