As so many of you enjoyed Supertato I've read another Supertato story, this time he has the help of his friends to save him from Evil Pea!

Once you have listened to it, think about what Superveggie you would be and what your superpower would be to help save Suptertato and Lolly from the work of the Evil Pea and his army of peas.

Draw a picture and write about your Superveggie. You can send me what you have done to

yellow@barnett-wood.surrey.sch.uk

Keep up the good work learning at home, you are all amazing!
