

Friday 8th May 2020

Make a 'Reading den' today, either inside or outside. You may want to think about how you would make it comfortable and cosy.

Once you have made your reading den, read your favourite books in it, you could share these with a member of your family too!

If you would like to, write about your favourite story. You could include:

- The events
- Your favourite character and why
- Create your own character that could also be part of the story.

Happy reading!
