

L.O. To write CVCC words

Our teddy words this week are – **some** **come**

Please add these into your teddy books on the Spring Term Teddy if they are not already there.

This week we are practising CVCC (consonant vowel consonant consonant) words. Encourage children to 'chop up' the word verbally before they write it. You might find it useful to have the sound mat from your learning pack next to you. If you can't print the sheet, draw your own phoneme frames to fill in.
