

Today you are going to do some reasoning about multiplying 5.
You can print and use the 100 square below or go to this link to
complete your activity

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>
(Choose the grid 1-100)

1. Circle or shade all the multiples of 5. (that means all the answers in the five-times table)
2. Write 3 things you notice about the numbers you have circled.
3. Write 3 multiplication calculations for the five-times table.
4. Write 3 division calculations using the answers for the five-times table.
5. When would we need to count in fives?

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
