

Handwriting

L.o- To form one armed robot letters correctly

Trace over the grey letters. Make sure your letters sit on the line and you start at the top (where the black dot is), go down the line, bounce back up without taking your pencil off.

Handwriting

L.o- To form one armed robot letters correctly

Trace over the grey letters and then form **at least 6** of each on your own. Make sure your letters sit on the line for most of them and 'p' goes under the line. You must start at the top, go down the line, bounce back up without taking your pencil off.
