

# Phonics

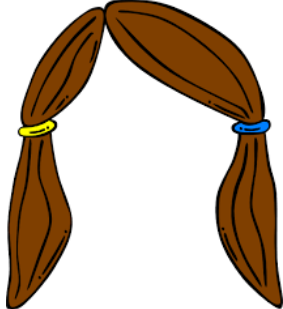

L.o- To segment the sounds in simple trigraph words.

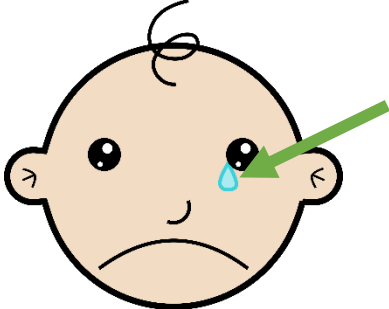

A trigraph is 3 letters that make 1 sound. Using the phoneme bank, spell the words to match the pictures. Remember one sound for each square in the phoneme frame. Say each word slowly to help listen for the sounds.

air l ear ch h t igh n

		

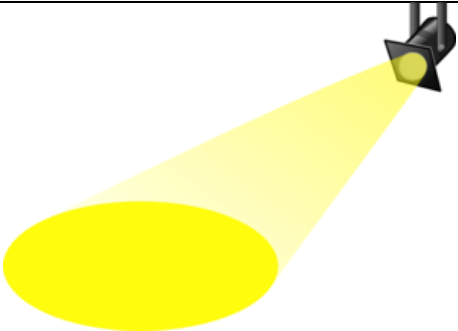

# Phonics

L.o- To segment words containing trigraphs.

A trigraph is 3 letters that make 1 sound. Say the word for each picture slowly, to help listen to the order of the sounds. Use the digraph sound bank to help as well as your sound mat.

Remember one sound for each box in the phoneme frame.

igh      air      ear

--	--	--	--

--	--	--	--

--	--	--	--

--	--	--	--

--	--	--	--

Write a sentence using **one** of the words.

# Phonics

L.o- To segment trigraph words.

Say the word for each picture slowly to help listen to the order of the sounds. Listen carefully for all of the sounds. Remember one sound for each box in the phoneme frame.
