## Loose Parts Challenge

Today I'd like you to create a 'thank you' message for keyworkers using loose parts.

Loose parts are simply a collection of small or large objects from around your house that are positioned to make a picture or word.

You will need to collect lots of objects so you have lots of choice. These could include: pebbles, toy cars, marbles, cotton reels, cutlery etc. Position your parts so they spell out 'thank you'.

Here are some ideas to help inspire how loose parts can be positioned and combined to create pictures:

You might like to go on a create a picture of someone in the community who helps us e.g. postal worker, shopkeeper. Or a picture of your choice.

We'd love to see these if you would like to share them with us.
