

Summer 1

22.05.2020

After a very busy week of writing brilliant stories today we would like you to practice your buzz words. Be as creative as you can! You may like to paint your words, write them in chalk outside, make them out of lego pieces, pasta or things you might find in the garden. Have fun and enjoy the bank holiday weekend!

This weeks buzz words; friend, here.

You may also like to practise others we have already been learning.
