

Friday 5th June 2020

As you already have spellings to learn and activities to complete related to your spellings, today's English is an **optional activity**.

We'd like you to write a recount of your week.

What have you enjoyed doing? What have been the highlights? Is there anything you didn't enjoy so much?

You could organise your writing into paragraphs - one for each day maybe.

Remember to include your feelings and details to engage the reader.

Please email your writing if you'd like to share it with us!
