

Monday 1st June 2020

Today we would like you to write a recount about your half term.

Choose a couple of things that you particularly enjoyed and write about those. Organise your writing into paragraphs; one for each different activity or event.

Remember to include interesting and exciting vocabulary to engage the reader, use accurate punctuation and join your letters neatly.

Your writing becomes more personal if you include your feelings too.

Here are some words which might help you:

delighted

exstatic

over-joyed

bored

fed up

tired

You might like to illustrate your recount.

Re-read your writing to check it makes good sense.

You could video yourself reading your recount and email it to us as we always like to see you and hear your voices!
