

Today you will be drawing times on the clock faces below. Remember the hour hand is shorter and will only be right on the hour number when it is o'clock.

Please send this piece of work to your teacher.

indigo@barnett-wood.surrey.sch.uk or red@barnett-wood.surrey.sch.uk

How many clock times can you show between 8 o'clock and 9 o'clock?

I wonder if you can show some 'past' and some 'to' times?
