

New curriculum arrangements for Year 1 Summer 2

This half term we have provided a new topic web for our topic on India. There are lots of activities to do at home.

Each week we will upload 2 Maths and 2 English activities which we expect to be completed at home if your child is not returning to school. If your child is returning to school these activities will be completed in class. If you feel you would like some additional learning in Maths and English for your child we have also provided an 'Optional Learning Activities' sheet with further ideas.

You can also access games and activities on Education City - we have noticed that you have been playing these on a regular basis. Sometimes we will set specific games to play but feel free to explore.

BBC Bitesize is also a great resource.

Please use our email blue@barnett-wood.surrey.sch.uk to contact us if you have any questions or email the office.

Mrs Gregory will be teaching on Monday and Tuesday.

Miss Higgins will be teaching on Wednesday and Thursday.

We will aim to respond to emails in a timely manner.

Thank you for all your support, we have loved seeing what the children have been learning whilst at home.
