SPELLINGS - compound words

Compound words are two words which have their own meaning, which are put together to make a new word with a new meaning.

Here is an example: sun + flower = sunflower

These are your spellings to learn this week:

newspaper	rainbow
sunhat	eyebrow
playground	lighthouse

football	lipstick

How many more compound words can you think of?

Write a silly story using as many of the words as you can.
