

If you would like additional activities to complete at home this week, you may wish to choose some of the below ideas. Any worksheets will also be in this document.

Literacy

- Watch more Jess's Minibeast Adventures and make a fact book or poster about your favourite minibeast.
- Draw a picture of a minibeast and label it.
- Complete the minibeast wordsearch below.

Mathematics

- Take a handful of something e.g raisins and see if you can share them between the people at your table. Do you all have the same amount?
- Solve the 'sharing' word problems from the 6 word problems below.

Minibeast

a t c o c k r o a c h y

beetle

ant

wasp

moth

cockroach

spider

Solving Problems - Sharing

Home Learning Challenges

Abed has 3 rabbits who love eating carrots. He has 6 carrots to share between them. How many carrots will each rabbit have? Draw 3 rabbits and share out the 6 carrots to check.

A squirrel collects 10 nuts to share between her 5 babies. How many nuts will each baby have? Draw the nuts to check.

Share out 15 biscuits between your favourite 5 toys. How many biscuits does each toy have? Is it fair?

Cut up an apple into 8 slices. If you shared it equally between yourself and a friend, how many pieces would you have each?

If a packet has 20 sweets in and you share them equally between you and 3 friends, how many will you get each? Draw 20 sweets on a sheet of paper, equally sharing them into the 4 corners of the paper. Count how many are in each corner.

Make a cake for some friends and share it out. If you cut it into 12 pieces and there are 4 people, how many slices could each person have?
