

## More reasoning about shape today

Whitney says,

I have a 3-D shape with  
2 square faces and 4  
rectangular faces.

What shape does Whitney have?

Play this game with a friend. Describe the faces of a 3-D shape and they need to guess what it is.

---

How could you sort these objects?

Can you find some more objects to add to each group?

---

What labels should be added to each group to show how these 3D shapes have been sorted
