

This week we are learning more about statistics.  
 We would like to know your favourite foods.

- Choose your favourite carbohydrate
- Choose your favourite fruit or veg
- Choose your favourite meat, fish or alternative
- Choose your favourite dairy food
- Choose your favourite sugary food
- Choose your favourite food with fat

Here is a healthy eating guide to help you remember what is included in the different food groups.

When you have chosen, please can both classes email your list of favourites to [red@barnett-wood.surrey.sch.uk](mailto:red@barnett-wood.surrey.sch.uk)

We will make charts with all the Year 2 data and show you a picture.

Also look at the pictogram below and answer the questions. You can write the answers in your book if you need to.

Look at this data:

Ice creams sold in one week	
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	
Saturday	
Sunday	

 = 2

What is the same?
