

'Who am I?'

Please email this piece of learning to your child's teacher. If you are continuing to learn at home.

We will be completing this activity in school

Can you guess which mini-beast described from the clues?

I am yellow and black.

I have wings.

I can make honey.

What am I?

We would like you to write your own clues for your chosen mini-beasts and email them to us. We will then share them with the children in school and see if we can guess from your clues. Please include the answer in the email.
