SPELLINGS - Contracted Words

At the beginning of May, we asked you to complete an activity about contracted words. This week, we would like to ask you to learn some of these words fluently. Make sure the apostrophe is in the right place!

These are your spellings to learn this week:

we're	doesn't
we've	aren't
you've	weren't
they've	haven't
didn't	won't

For each word, write down what the long version of the contracted word is, e.g. **I've** = **I have**

Write sentences using the contracted word.
