

Wednesday 24th June 2020

Today you are going to use all the information that you have learnt so far about what Tocuaro is like and compare it to what Ashted is like. Some things will be the same or similar and some things will be different.

We'd like you to draw and write about the geographical features of both places. You can think about physical features; things which occur in both places naturally, as well as human features; things which people have built/created.

Use the table below to record the features of both places.

Name: _____

Wednesday 24th June 2020

We are learning to identify similarities and differences between places.

FEATURES OF TOCUARO

FEATURES OF ASHTEAD
