PLEASE EMAIL THIS LEARNING TO YOUR CLASS TEACHER

Now you are ready to write your own 'Please Mrs Butler' poem.

It could have one verse and one chorus or you might like to write more verses and choruses. See how you get on.

Use your plan to help you.

You might want to write a draft first and then improve it.

It is tricky to get it right straight away, especially if you are trying to make your poem rhyme.

We would love to read your poems, so please email them to your class teacher.

You could video yourself reading it, if you like!
