

## Reception Literacy and Maths Optional Extras

Week Beginning 6<sup>th</sup> July 2020

If you would like additional activities to complete at home this week, you may wish to choose some of the below ideas. Any worksheets will also be in this document. These activities are for everyone.

### Literacy

- Make your own treasure. You could use the coins from the sheet below. Make at least 20 coins with teddy words on them, remembering to choose words from each teddy in your book. Bury your coins. This could be under rice, in sand, in soil. As you find each word, read it before putting in a treasure chest.
- Draw a treasure map for a desert island- add labels using your phonics to show the different things on your map e.g. swamp, forest, beach. Don't forget 'X' marks the spot!

### Mathematics

- Make your own pirate ship using recycled materials, test your ship in water (sink, bath, paddling pool). Find out how many small objects it can hold before it sinks.
- Do some baking for the pirates. Follow the instructions in your chosen recipe, carefully weighing the ingredients. Take a photo and send it to us if you would like to.

### Other Areas of Learning

- Learn some pirate songs, 'The day I went to sea' <https://www.youtube.com/watch?v=qAngsMJD3I>, 'A sailor went to sea' <https://www.youtube.com/watch?v=PtHxpuX2fbl>
- Dress up as a pirate for the day, design your own pirate hat and flag for your ship. Don't forget to talk like a pirate!
- Play 'Port Starboard', find the instructions below.
- Feely box treasure chest, ask your grown up to place an object in a box, with a blindfold on or closing your eyes, feel inside the box and see if you can guess what the treasure is. Also explore its weight, is it heavy/light?
