

Teddy Words

This week our new teddy words are 'called', and 'asked'. Adults, please add these to the Summer Term teddy in your child's teddy book.

To help learn how to write these we would like you to 'rainbow write' our new words. You will need to form each letter correctly, and write each word at least 5 times on top of each other, choosing a different colour each time. The dots for each letter are there to remind you of the correct starting point.

See if you can find these words in your story books at home, how many can you find?

asked

called
