

Today you are learning more about recognising thirds.

1

Use the words to complete the sentences.

$\frac{1}{3}$

three

third

The spinner is split into \_\_\_\_\_ parts.

Each part is worth a \_\_\_\_\_.

This can be written as

2

Ron cuts up some fruit.

banana

apple

melon

a) Has the banana been cut into thirds?

How do you know?

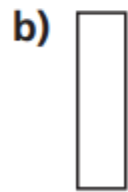

b) Which fruit has been cut into thirds?

c) Which fruit has been cut into halves?

3

Only  $\frac{1}{3}$  of each shape has been drawn.

Draw the whole shape in the box.

You could draw the shapes in your maths book, if it is easier.

4

$\frac{1}{3}$  is greater than  $\frac{1}{2}$   
because 3 is  
greater than 2

Is Alex correct? \_\_\_\_\_

Draw a picture to show your answer.
